I've lived from the middle of the 20th Century to the first third of the 21st Century.

I've learned a lot, but extremely few are interested.

Too bad! Life would be SO much better if we just stopped for a minute and APPLIED the learning we already have.

Won't happen! Average people are consumed by magical thinking, and so we repeat our mistakes again and again and again.

For how long???

Best of luck, humanity!
